

¡EL CUIDADOR/A DE PERROS!

MATERIAL

M^a JESÚS FDEZ. MAESTRA PT

El mejor cuidador de perros!

Las siguientes plantillas son para recortar, plastificar y ponerle el velcro para montar el dado de las sílabas. Así aprovechamos realizar solo un dado.

Los niños/as tendrán que ir poniendo los perritos encima de las sílabas de sus tableros y cuando las tengan todas, levantarán la mano y dirán: "las tengo todas recogidas" (por ejemplo).

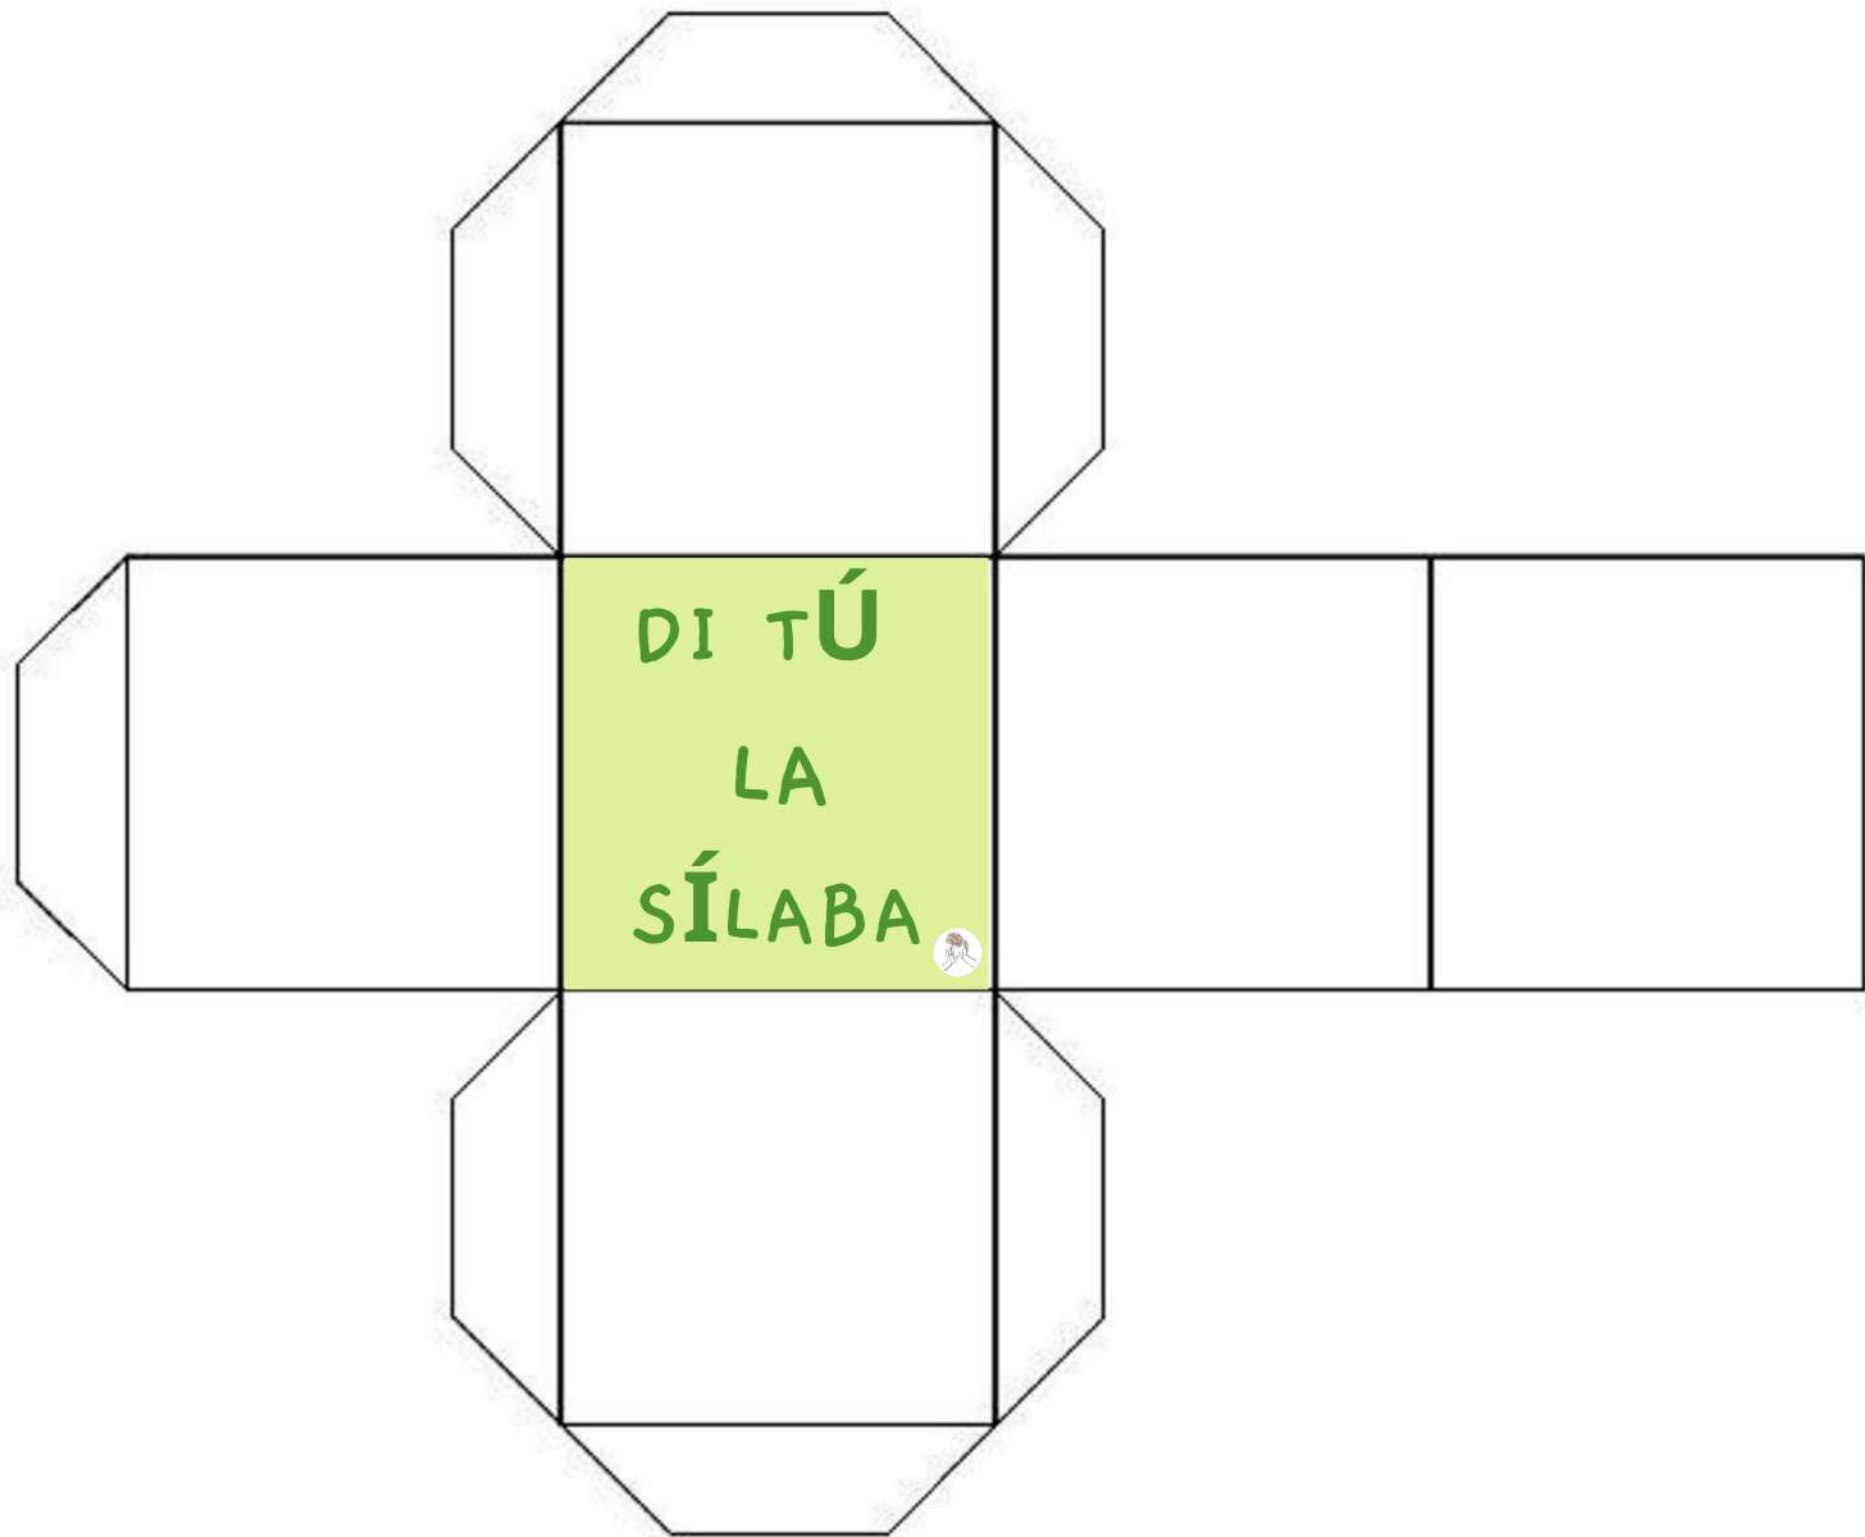

El dado, tendrá una cara que pondrá: elige tú la sílaba. podrá elegirla, pero todos sus compañeros/as también podrán tacharla.

Irán tirando cada uno en el orden que vaya diciendo la maestra/o. Se puede incluir todas las variables que consideréis. Incluso jugar tipo **bingo**, que cada niño/a diga una sílaba, hacer dos dados, que cada niño/a se haga su tablero con sílabas y dibujando...

El objetivo es implicar a los alumnos/as en el juego y aprender de manera lúdica.
